## Conference Convenors

### Professor Carmel Borg

Is the former Dean of the Faculty of Education, University of Malta. Professor Borg lectures in Curriculum Studies, Critical Pedagogy and Parental involvement in Education. He has written, presented and published extensively around the foregoing issues. Professor Borg consults locally and internationally, and is an external expert for the European Commission (DG Education). Professor Borg is the founding Editor of the Journal of Maltese Education Research and the current editor of the Malta Review of Educational Research.

**Mr. Colin Calleja** lectures in the area of General Pedagogy with specialization in Differentiated Teaching and Learning, at the Faculty of Education, University of Malta. He is the coordinator of the Programme in Teaching for Diversity, Faculty of Education and National coordinator of the Let Me Learn Programme, a joint Initiative between the Faculty of Education and the Directorate for Quality and Standards in Education. Mr. Calleja is involved in a number of EU projects dealing with Differentiated Instruction and Life-long learning. Mr. Calleja is currently Education monitor for a non-governmental organization which monitors racism in Malta. Mr. Calleja is the author of Differentiated Instruction in the Primary Classroom (2005) and co-editor of the book Children and Youth at Risk: Narratives of Hope (2006). Mr. Calleja is also a co-author of a handbook Differentiated Teaching Module: Preparing Trainee Teachers to respond to Pupil Diversity - A Teacher Trainee Handbook (2007)
